

2016 Budget Approved

No Increase in Assessment Rates!

The HCA Board of Directors approved the 2016 Budget as submitted by Staff. The approximate \$2M Budget recognizes the need to continue with upgrades of the Community Center (36 years young) but the Board emphasized - that this can be done without an increase in the yearly assessments.

Executive Director Dave Grove announced that in 2016, plans are to complete the upgrades of Locker Rooms; refinish the Tennis Courts; extend the Overflow Parking Lot; widen the Traffic Circle in front of the Center; continue the repairs of the concrete pathways; add additional security features. In addition, the Board is looking into adding a Steam 'Room' at the Pool deck plus adding a room above the current Strength Weight Room (previously a racket ball court). As the number and type of Programs continues to grow, we are experiencing "growing pains" as we try to meet the needs of our Members.

Copies of the approved Budget are available at the Front Desk - and it can be obtained from the Harbison web page - harbisonhca.com. Any questions, please contact Dave at 781-2281.

Executive Corner Comments

Events and Programs

If you have been to the Center during the past few months, you may have noticed the increased number of programs being offered to the Members, plus trips for the Seniors. Olivia Buster recently added Zia Layton to her Staff and the combined efforts of those two plus Ray Benloss have produced an "energy level" that seems to go up daily. Dave stated "It is very exciting to see Olivia, Zia, Ray, "D" Gunter, Elizabeth Foust-Drakeford, Michelle Roberts, Ellie Nalger, Scott Lynch & Bruce Mike (Maintenance) working together to create new and exciting events and making certain everything goes well. Olivia promises more to come in 2016!!

Thanks

Harbison Community Association depends on various "Instructors and Providers" - who contribute their time and energy by offering programs of interest to our Members. Some individuals have been associated with Harbison for many years and it is appropriate - at year's end, to tell them THANKS because their contributions are substantial - they "care" about Harbison and it shows. Among this distinguish list of Instructors / Providers, four individuals stand out because they have been associated with Harbison for a combined total of over 60 years. Dave Grove stated that "Judy Malorey, Tim Graham, Jim Kerr, Lamar Sanders exemplify the type of Instructors / Providers that define the Association. They are professional - they provide quality services - they contribute. We are proud of all the Instructors / providers who have chosen to come here - and we say THANKS.
