_____ In the planning, I have taken into account any drainage and utility easements.

_____ I agree to notify, in necessary cases, the Call-Before-You-Dig service and building inspectors to maximize safety and minimize the inconvenience to my neighbors.

_____ I agree to maintain a clean and safe work site.

-OVER-

Notice:

The approval of this request by the RDRC Committee shall in no way relieve the property owner, the contractor and any subcontractors from the responsibility for any design defects in the approved building plans or for any construction defects in the completed work. The property owner, the contractor and any sub-contractors shall be responsible for compliance with all applicable federal, state and local laws, codes, rules and regulations including those as outlined in the covenants and shall assume full responsibility for any and all damage or injury to persons and/or property which may occur as a result of this construction or other activities within the Harbison Community Association Development. Further, I acknowledge that I am responsible for determining where my property lines and easements are located and take full responsibility for any structure(s) constructed in the easements or outside of my property.

I have read and agree with the above statement and wish to submit this document for review by the committee.
